Subject: Letter of Recommendation for Madhura H S

MyCaptain, an initiative by an IIM Bangalore incubated company, is an online Learning platform recognized by the UN SDSN as one of the Top 50 Worldwide Youth Solutions.

It is with great pleasure that I recommend Madhura H S , on the basis of the performance in the MyCaptain C++ Programming Workshop in the month of June, 2020.

Madhura H S performed extremely well during the workshop and showed excellent skills as seen in the Project submissions and participation in the regular activities. As the mentor, I have seen that in every Live video class session, Madhura H S was very actively participative and always willing to learn and enhance skills in every aspect. Madhura H S is always willing to put forth a unique approach for the Projects that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Madhura H S , all luck with their future endeavors and hope they have a bright future ahead.

Kind Regards,

Aadhar Bhatnagar
